

# Stage. Store. Move. And save.

PODS is a smarter way to help you sell your home—and, after the sale, move to your next one. It's easy, a PODS® container can help you clear clutter for staging. So prospective buyers see more of your home and less of what's stacked up in it. Our process is simple: we deliver a container, you fill it up, then keep the container at one of our many secure Storage Centers. After the sale, PODS can deliver the container to your new home.

## How PODS works:

### We deliver.

We deliver an empty container to you at your convenience.

### You pack.

Fill the container your way, at your pace, and call us when you're ready.

### We store.

We can store your container in one of our secure Storage Centers or on-site.

### We move.

Or, we'll come pick up your container, and drive it across town or across the country.

## Moving

- No renting or driving a truck
- Pack at your own pace
- Local or long-distance
